

Evaluation: recall@5 and faithfulness

parental leave weeks	recall@5=1	faithful	PASS
code review pull request size	recall@5=1	faithful	PASS
aurora vault encryption key rotation	recall@5=1	faithful	PASS
what is the meaning of life	recall@5=0	unfaithful	FAIL

Three questions have a real answer in the corpus. One doesn't -- and a FAIL there is the system correctly admitting it, not a bug.
