

Memory is yours, not the model's

bare chain: what the model saw ✗

system
You are the barista at Beanline Coffee.

human
actually, make it a large.

with history ("maya"): what the model saw ✓

system
You are the barista at Beanline Coffee.

human
hi, I'm Maya -- I'll have a latte.

ai
One latte for Maya, coming up -- \$4.50.

human
actually, make it a large.

Same turn-2 code, different memory owner. Left: "it" is unresolvable. Right: turn 1 is present.
