

Memory is yours, not the model's

store["maya"]: 4 messages ✓

human
hi, I'm Maya -- I'll have a latte.

ai
One latte for Maya, coming up -- \$4.50.

human
actually, make it a large.

ai
You got it, Maya -- one LARGE latte, \$5.50.

store["ben"]: empty ✓

Two customers, two shelves. Sessions isolate because the KEY isolates, not the model.
